OUR SERVICES

Hair is a big part of our identity, and as we evolve in our lives, our hair care needs to as well. We at Salon Sanjoy are committed to staying on-trend with hair styling techniques and products. We make our services accessible to a clientele that appreciates desirable results and competitive pricing.

FEATURING DAVINES PRODUCTS

We currently feature Davines, an eco-friendly line from Italy, which truly has a product for every hair type and condition.

“At Davines we dare to do what we believe in and, rather than conforming to the mainstream, allow intuition to pave our path. This gives us the freedom to develop concepts and products that are original, authentic and emotionally connect with people. Our work is a thoughtful balance of substance and style, nature and science, people and spirit. It is what enables us to create what we call ‘life enhancing projects’.”
